

THE ANGELUS:

V/: “The Angel of the Lord
declared unto Mary;

R/: **And she conceived
by the Holy Spirit.**

ALL: *Hail Mary, full of grace,*

V/: Behold the handmaid
of the Lord;

R/: **Be it done unto me,
according to thy word.**

ALL: *Hail Mary, ...*

*(Please, if you can, try to kneel, or genuflect,
or bow deeply for the following verse...)*

V/: And the Word was made Flesh;

R/: **And dwelt amongst us.**

ALL: *Hail Mary, ...*

V/: Pray for us O Holy Mother of God,
R/: **That we may be made worthy of
the promises of Christ.**

Let us pray:

**Pour forth, we beseech You,
O Lord, Your grace into our hearts;
that we, to whom
the Incarnation of Christ,
Your Son, was made known
by the message of an angel,
may by His Passion
and + Cross be brought
to the glory of His Resurrection.
Through the same
Christ our Lord. Amen.”**

*The Angelus is said **THREE TIMES** a Day
at 6.00 in the morning, at
12 noon and at 6.00 in the evening.*

THE SEVEN SACRAMENTS:

*“... unless you eat My Body
and drink My Blood
... you will not have Life within you ...”*

THE SACRAMENT OF THE MOST HOLY EUCHARIST [HOLY COMMUNION]:

*By which Christ associates with His Church
and all her members with
the sacrifice of the Cross*

The Fruits of this Sacrament are:

- An increase in the communicant's union with Christ.
- Forgiveness of venial sins.
- Preservation from grave sins.
- A strengthening of the bonds of charity between the communicant and Christ.
- A strengthening of the unity of the Church as the Mystical Body of Christ.

ALMA REDEMPTORIS MATER,
Quae pervia caeli porta manes,
et stella maris, succurre cadenti,
surgere qui curat, populo:
tu quae genuisti, natura miran-
te, tuum sanctum Genitorem,
Virgo prius ac posterius,
Gabrielis ab ore sumens illud
“Ave”, peccatorum miserere.

MOTHER OF CHRIST!
Hear thou thy people's cry,
Star of the deep,
and portal of the sky!
Mother of Him who thee
from nothing made,
sinking we strive,
and call to thee for aid:
Oh, by that joy which Gabriel
brought to thee,
Thou Virgin, first and last,
let us thy mercy see.

lepra
We will beat
leprosy together

Today 600 people will be diagnosed with leprosy, more than 50 of these will be children.

Devastating impact

Over 7 million people are currently affected by leprosy across the world.

Evidence shows over 3 million people are living with undiagnosed leprosy

Over 4 million people are living with a life-changing disability caused by leprosy

Although curable, many people are unable to access treatment, even though the cure is free. Lepra works to find, treat and rehabilitate these hidden people and promote their rights in India, Bangladesh and Zimbabwe.

Discrimination

Due to misunderstanding, lack of information and incorrect beliefs,

people affected by leprosy can experience severe discrimination

and prejudice when they show symptoms, or when a diagnosis is

confirmed. The consequences can be devastating; people are often

shunned by their community or even their own family, they may lose

their livelihoods and they can even experience thoughts of suicide.

They are left to endure a lifetime of abuse, isolation and shame.

During the difficult times of the Covid-19 crisis, so many of us in the

UK can resonate with such feelings of isolation with social distancing

measures we have experienced; though this has hopefully been a relatively short term restriction compared to that of a leprosy sufferer for whom isolation may last a lifetime.

Lives changed

The lives of many people have been changed thanks to the generosity of supporters like you. In the 97 years since our founding we have helped millions of people affected by Neglected Tropical Diseases such as leprosy. There is now a cure for leprosy, however, there is

more work to be done as prejudice, discrimination and lack of healthcare and

resources mean not everyone can receive this in time to prevent disabilities.

You can make a difference

You can make a difference

Our mission is to beat leprosy – so that all cases are easily diagnosed and treated and leave no disability or discrimination. We are working towards a day when leprosy no longer destroys lives; **with your support we can achieve this sooner.**

Please help us **beat leprosy** – even the smallest contribution can help treat and rehabilitate people trapped by this disease.
